## Narrative Report:

Date: 06212016	Time: 1334	Narrative Report Type: OFFENSE REPORT NARRATIVE	Incident/Offense Location: 4921 GUS THOMASSON RD MESQUITE TX 75150
Reporting Officer/ID: Ewing, Heath 0853			Supervisor Approving: Ewing, Heath 0853

### Narrative:

On 06-21-2016 at approximately 1240 hours Officer Ewing #853 and Officer Cleere #617 were dispatched to the National Pride Car Wash located at 4921 Gus Thomasson Rd, Mesquite Texas, Dallas County in reference to an aggravated assault. Prior to arrival officers were advised the suspect had fled the location on foot running east. Officers checked the area but were unable to locate the suspect. Officer Ewing made contact with the victim, Juan Meza at the location of the offense.

Meza stated that he leases the National Pride Car Wash located at 4921 Gus Thomasson Rd and arrived there on 06-21-2016 at approximately 1235 hours. Meza stated he observed the suspect standing by the vacuums at the car wash and also noticed the suspect had no vehicle. Meza stated he asked the suspect to leave the property due to him not having a vehicle at the location. Meza stated the suspect began calling him racial slurs and also stated he had lived in the area for 30 years. Meza got into his truck and called Mesquite Police. The suspect then came over to Meza's truck and started hitting the windows. The suspect walked over to a his backpack and removed a silver colored folding knife from the bag. Meza exited his truck with a can of pepper spray and stated the suspect came at him with the knife in hand and the blade open. Meza dispensed the pepper spray at the suspects face as the suspect came at him with the knife. Meza stated the suspect came at him multiple times with the knife still in his hands. Each time the suspect came at Meza, Meza stated he would spray the suspect with the pepper spray. The suspect attempted to stab the tires on Meza's vehicle multiple times but did not appear to penetrate the wall of the tires. The suspect went back over to his backpack, picked it up and took off running east towards Demaret Drive.

Meza described the suspect as a white male approximately 5'06" 160 pounds, bald head, unshaven face, heavy tattoos on both arms down to his hands and wearing long denim shorts. Meza estimated the suspect to be in his late 30s or early 40s. Meza stated he had video at the location that he believed to be functioning but was unable to download the video at the scene. Meza stated he would attempt to download the video at a later date and have it for investigators.

Officer Ewing removed a latent print from the drivers door window where Meza stated the suspect had touched. The print was turned into Mesquite PD Crime Scene.
